

Regional Meeting

Region I

Date: 25-27 April 2024 (arrival on 25 April, departure 27 April afternoon)

Location: Hague, the Netherlands

Countries (Members): Belgium, Netherlands, France, UK, Ireland

ENARs Regional Meetings bring together representatives from broadly understood geographical regions working on similar topics and issues. This collaborative platform has been created to meet the members' needs for more horizontal cooperation and exchange of knowledge and practices.

We aim to offer more spaces for members to interact, collaborate, learn from one another and network. We understand that in the dynamic landscape of nonprofit organizations, the ability to exchange experiences and practices is crucial for growth and sustainability.

This two-day event aims to **foster an environment of learning, sharing, and networking, enabling NGOs to strengthen their capacities and collectively work towards their common goals.**

We believe that by fostering horizontal cooperation and providing a space for exchanging practices, we can amplify the impact of each organisation and create more resilient members and stronger ENAR Network.

The **first day** of the meeting will focus on **capacity building and training**. We want to address the needs of membership and curate a day long comprehensive workshop covering one of the various areas relevant to NGOs, such as project management, fundraising, advocacy, and impact measurement. These sessions will be designed to enhance your knowledge and skills, equipping you with practical tools and strategies to drive organizational effectiveness.

The **second day** will be dedicated to fostering meaningful discussions and **exchanges among members**. This half-day meeting will provide a space for you to share your successful practices, innovative initiatives, and lessons learned. By creating a platform for knowledge exchange, we aim to inspire new approaches and promote exchange of ideas and projects. Additionally, through group discussions and interactive sessions, we will collectively identify common challenges faced by members in the region and develop strategies to address them.

We encourage you to actively participate, engage with your peers, and seize this opportunity to learn from the wealth of knowledge and experience present in the network. Together, we can create a sustainable support system that empowers each organisation to thrive and make a meaningful difference in their respective communities.

Registration

Apply through Glue Up **till 15 March 2024**. Please get in touch with pia@enar-eu.org with any questions.

Registration is open for one representative per organisation. ENAR will cover travel and accommodation expenses for that representative. Please make sure that the membership fee for your organisation is paid in order to participate in the Regional Meeting.

With the support of the Citizens, Equality, Rights and Values Programme of the European Union, the Open Society Foundations, and the Sigrid Rausing Trust.
